

## **Faria Beede ETERM-C Vessel Monitoring System**

Thank you for your interest in selling the FB ETERM-C required by National Oceanic and Atmospheric Administration (“NOAA”) and Office of Law Enforcement (“OLE”), for Gulf of Mexico For-Hire fisheries.

This restricted system is not to be sold on any website including 3<sup>rd</sup> party marketplaces such as eBay or Amazon.

These systems may only be sold and installed by certified dealers approved by Faria Beede Instruments, Inc. (“Faria”), or its assigned parties that have physical locations.

These systems may only be sold to approved dealers for installation on recreational charter vessels operating in the Gulf of Mexico unless otherwise approved by NOAA and OLE .

These systems must be sold in compliance with Faria’s pricing policies.

If you would like to be considered for approval for the Faria ETERM-C please e-mail [sales@cwrdistribution.com](mailto:sales@cwrdistribution.com).

Thank you for your interest in selling Faria Beede ETERM-C VMS.

To all CWR Dealers, please complete the Questionnaire below if you are interested in becoming a dealer/installer for the Faria Beede ETERM-C VMS.

1. Do you currently sell/service and install electronics to Recreational For-Hire/Head-boat Vessels?

Yes  No  if Yes, how many vessels do you service? \_\_\_\_\_

2. Has anyone in your organization installed Vessel Monitoring Systems?

Yes  No  if Yes, what brand(s)? \_\_\_\_\_

3. Is anyone in your organization NMEA certified? Yes  No

4. Is anyone in your organization ABYC certified? Yes  No

5. How many certified installers do you have? \_\_\_\_\_

6. NOAA requirements are that dealers/installers for the FB ETERM-C be certified installers. If you are not NMEA or ABYC certified would you attend an on-line training program to become a Faria Beede Authorized installer?

Yes  No  if Yes, how many would attend? \_\_\_\_\_

7. Any other questions or comments? \_\_\_\_\_
