HAWKEYE®

Trap Blister Packaging:

- Eliminates excess waste
- PET packaging environmentally friendly
- 15% Package size reduction

TrueSpot® Reflector:

- Precision spot
- Useful beam pattern

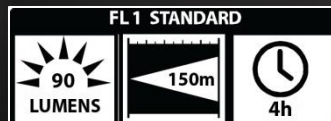

Hawkeye® Series:

The 90 Lumen LED Hawkeye® Flashlight features an intense beam of light that projects a 150 meter beam distance.

The flashlight is constructed of rugged anodized aluminum, contains a polycarbonate lens, and features a non-slip rubberized grip making it extremely durable. This flashlight has a barrel mounted push button switch allowing for ease of use and is o-ring sealed against dust and moisture making it weather resistant.

The Hawkeye® flashlight has two convenient interchangeable lenses, blue and red, which reside in the tail cap of the flashlight. The flashlight includes a durable heavy duty canvas storage pouch that has a belt clip holster for convenience of use.

The LED Hawkeye® Flashlight comes complete with 3 AAA cell batteries, allowing for 4 hours of continuous use.
