

True North Space Heater

This rugged AC electric heater keeps the cabin warm on the chilliest of those early and late season nights in the marina.

The model 9206 True North AC heater was recognized by Powerboat Reports as being the best.

There is no other heater on the market that delivers the performance and quality of the True North, making it our best selling marine product.

Product Features:

- Steel construction
- 3 heat settings (600, 900 and 1500 watt)
- “Fan only” setting
