

GEAR TIE®

CLIPPABLE TWIST TIES

With the Gear Tie Clippable Twist Tie, a simple clip or twist is all it takes to neatly bundle and attach things of nearly every shape and size to almost anything with a bar, loop, or D-ring. It's a new twist on organization.

With a sturdy plastic Size #2 S-Biner on one end and a tough, flexible 12" Gear Tie on the other, the Clippable Twist Tie creates a tangle-free way to organize, store, and transport even the most unwieldy, unstorable items. Wrap the Gear Tie around everything from power cords and dog leashes to camping lanterns and flashlights, then clip to a hook to store them securely and conveniently. Or, clip the S-Biner to anything with a D-ring or loop and wrap the Gear Tie around bars, hooks, or handles - it works both ways! You can also use the Clippable Twist Tie to attach smaller items of every shape to luggage, racks, and backpacks, keeping them conveniently accessible and your hands free.
