

STEELIE®

VENT MOUNT KIT

The Steelie Vent Mount Kit allows you to attach any smartphone to any dashboard vent, keeping your phone handy and hands-free in any vehicle.

The Steelie Vent Mount Kit is a brilliant solution for keeping your smartphone secure and visible when you're in the car - any car. It consists of two simple components: 1) a Steelie Magnetic Phone Socket that adheres semi-permanently with 3M® VHB™ foam tape, either to the back of your case or to the phone itself, and 2) a versatile Steelie Vent Ball Mount that securely clips to most vehicle vents, and is just as easy to unclip, so it can be used in multiple vehicles. The Vent Ball's round shape allows radiant positioning options, so you can tilt your phone to any angle, and the strong magnetic attachment of the Steelie Phone Magnet Socket keeps your phone securely in place and where you need it.

- ⊕ The Steelie Vent Mount Kit allows secure attachment for nearly any mobile device, with or without a rigid case, to any vehicle vent with unlimited viewing angles
- ⊕ Each Steelie Vent Mount Kit includes one Steelie Vent Ball Mount, one Steelie Magnetic Phone Socket with 3M® VHB™ adhesive, and installation kit
- ⊕ Steelie Vent Ball Mount has a cast aluminum body, a cam locking lever that securely grips the device to nearly any vehicle vent and incorporates a stainless steel ball that connects to the Steelie Magnetic Phone Socket
- ⊕ Clip & Go – Steelie Vent Mount features an easy-to-use universal clip that attaches & detaches from nearly any vehicle vent – no tools required.
