## Recessed 3.5" LED light 2700K 85CRI Dimmable COB LED

**Drop in for the 40W halogen recessed lights.**

Elegant polished stainless, brushed nickel or white trim with frosted glass make this light the perfect choice. Three screw mounting compatible with the most popular models and a tapered back to allow for wire storage. Digitally dimmable design means you will not need additional circuitry to adjust to just the right output. Warm White, Warm White/Red and Warm White/Blue available. Two or Three wire configurations. Simply reverse polarity to switch between colors or hi/lo.

Designed with Lunasea's robust electronics and temperature monitoring these lights were designed for minimal interference with electronic equipment. Can be dimmed externally.

Soft 2700K warm white hi CRI COB LED light enhances the beauty of your surroundings.
