DOMETIC CFX PORTABLE REFRIGERATOR/FREEZERS

BENEFITS OF CFX

- Operates as a refrigerator or freezer without the need for ice
- With the ability to utilize multiple power sources you can take your refrigerator/freezer with you
- Quick chill turbo function
- Runs on 120 V AC, 12 V DC or 24 V DC power source
- Heavy-duty reinforced corners and beefy folding carry handles
- Set temperature from -7° F to +50° F/-22° C to +10° C
- Wi-Fi enabled smart device app available to use on CFX-35, 40, 50, 65 and 95DZ

The new Dometic CFX refrigerator/freezer range is the result of many years of research and product development. After gaining an understanding of travel leisure, we have taken your feedback into account to develop a cooler that is tough enough to endure the harshest outdoor environments. We figure if it will perform there, it will perform in any situation, so you can go anywhere! Dual-zone (DZ) models feature separate compartments so you can refrigerate and freeze at the same time.
