PHANTOM 900

3" (76 mm) WEATHER RATED CHROME SPEAKERS
 FEATURING BUILT-IN CLASS D AMPLIFIER

Motorcycle enthusiasts are a different breed of individuals, the bikes they ride become an extension of their ego and lifestyle. The PHANTOM Speakers are designed to play music loud and proud, delivering 800 watts of screaming power pushing a pair of 3" Chrome high output Skeleton Hand Speakers.

Don't be tethered by wires, stream your music seamlessly from your smartphone or media device via built in Bluetooth[®]. The bold Skeleton Hands designs plays on "egoism" that lives deep in all of us, a theory that one's self is, or should be, the motivation and goal of one's own action to be whom we are...Motorcycle riders!
