Balls fit any 3/8" Drill or Air Tool. Patented Hex-shaft provides secure, no-slip hold in tool.

Hundreds of felt "fingers" have been assembled into a 7-inch ball for maximum buffing power.

TRUE BLUE.

Perfect for large flat surfaces like fire trucks, boats, semis and airplanes. Also great for elevator doors and railings. Quickly & safely buffs out brake dust, scuff marks, light scratches, oxidation, chalking, tarnish, pitting & corrosion. Power-rated for speeds up to 2500 rpm. Self-cooling. Won't scorch or burn. Won't tear like foam buffers when hitting sharp edges. No exposed ball hardware to scratch surfaces. Plus, the Ball is washable* and reusable.

* Washable Guaranteed ONLY when used exclusively with Flitz products.

ORDER TODAY.
