

KEYRACK +[™]

S-Biner[®]

The S-Biner Key Rack + is functional, compact, versatile, simple, and, with its double-duty as a handy bottle opener, exceptionally useful when you're thirsty.

Made of high quality stainless steel, the S-Biner Key Rack + carabiner clip has a secure gate closure on one end, allowing you to clip your keys to an existing key ring, belt loop, purse strap, zipper pull-anything with a loop or D-ring. Its interior is designed to serve as a handy bottle opener, and the other end holds six different-colored plastic S-Biners, perfectly sized to hold 6 separate keys. Identify your keys by color, and attach and release them individually from the Key Rack with ease. No more fiddling with split rings or fumbling to find the key you need-the S-Biner KeyRack + is perfect for quick and easy sharing of keys with family members, leaving a key for a valet or babysitter, taking a single key when you're out on a run or ride. And, with its added feature of the bottle opener, popping open a cool beverage for you or a thirsty friend as well-anytime, anywhere.
