Operation

Powering On
 Press and Hold "ON/OFF" button 2 seconds to power ON, the Blue LED will start to flash, while the Green LED stays illuminated.
 If an Aux (3.5 mm) cable is connected to the MRBT200, the Blue LED will turn off, and the Green LED will stay illuminated, notifying you, the MRBT200 is in Aux-In mode.

Powering Off
 Press and Hold "ON/OFF" button 2 seconds to power OFF

Bluetooth Mode

Pairing
 The unit will automatically go into "Pairing Mode" when it is powered ON.
 Go into your Bluetooth device settings menu and look for "BOSS MARINE"

After the unit has paired and connected, it will re-connect automatically when the MRBT200 is powered on and the device is in range.
 Note: Bluetooth Timeout :30 minutes

Begin Streaming Music

Press "⏮" to start playing music
 Press and Hold "⏮" 2 seconds to play the next track
 Press and Hold "⏭" 2 seconds to play previous track
 Press either "⏮" or "⏭" for volume control

Making and Receiving Phone Calls

When the MRBT200 is connected and paired to your device, the MRBT200 allows you to make or receive phone calls with its built-in microphone.
 Press "☎" to accept a call
 To end a call press "☎"
 To place a call, simply dial the number or select a contact from your Bluetooth device and call
 To reject a call, press and hold "☎" for 2 seconds

Aux-In Mode

Plug in the supplied 3.5 mm cable into the MRBT200. The other end is connected to your device. The Green LED will only illuminate when in "Aux" mode.
 Please note music and volume can be controlled by your device.

Charging

Attach the USB cable to the MRBT200, and plug into any USB charger. If the unit is completely discharged, it will take approximately 4 hours to fully charge.

The Red LED will illuminate during charging, when it has completed, the Red LED will turn off.

Note:There will be a beep when the battery is low and needs to be recharged.

LED Status

Blue LED flashing & Green LED solid	Bluetooth Mode
Green LED on solid	Aux Mode, Charging Completed
Red LED	Charging

Troubleshooting
