## Emergency Recreational Strobe and Flashlight Combo

Dual-featured and incredibly compact, this powerful strobe and flashlight combo is the perfect emergency signaling device for recreational boaters, pilots or outdoor enthusiasts at only 5 oz (142g), it can even fit in a diver's BC pocket. The signal is visible for up to 1 m (1.6 km), and the strobe functions for 10 hours of continuous operation (24 hours in flashlight mode).

- Ideal for boaters, hunters, campers, skiers, divers and virtually all outdoor enthusiasts
- Heavy-duty impact-resistand dome and flashlight cover
- Made with high-visibility chartreuse ABS plastic
- Easily connects to backpacks and life vests with webbing attachments
- Waterproof to 328 ft (100 m)
- Floats if dropped overboard
- Uses 2 "AA" alkaline or 1.5V lithium batteries (not included)
- Krypton bulb provides 360° omni-directional beam
- Includes wrist strap
