

SEA CARE

CONNECTOR SEALANT Connector Seal is specially designed to form a tough flexible barrier that will not affect the ability to disconnect plugs, sockets or pig tails while providing a weather-proof seal. Great for sealing connections to prevent damage from moisture, road salt or corrosion and when flexibility is needed such as hooking up and unhooking trailer.

USE FOR: Create a weather-proof seal, seals wiring and electrical connections, protects from moisture, salt and corrosion, heat resistant to 250 degrees Fahrenheit, crystal clear- will not cover color coded or marked wiring, quick drying, 50 state formula

10 oz 12 ct Cans

Product Information

Part #	SW1215
Item UPC	0 41911 01215 7
Case UPC	10041911112159

Item Specifications-12 Pk

Case Pack	12
Can Size	16 oz.
Net. Wt.	10 oz.
Each Length	10.875 in.
Each Width	8.25 in.
Each Height	8 in.
Case Weight	12 lbs.
