# FREE LAKEMASTER MAP

WHEN YOU PURCHASE A **NEW HUMMINBIRD ICE HELIX® SERIES**

Humminbird ICE HELIX with built-in GPS, gives you exclusive access to LakeMaster lake maps. To show you just how good LakeMaster maps are, we are giving you a free high-definition lake map with your purchase of a new Humminbird ICE HELIX G2 or G2N.

You will receive a code inside the box of your new unit to use on [chartselect.humminbird.com](http://chartselect.humminbird.com). You can then sign-in or open an account, and select any map priced at \$9.99, \$19.99 or \$29.99. Enter your coupon code upon checkout and the map is yours! View the map on the free Humminbird FishSmart app and put it on a micro-SD card for viewing on your ICE HELIX and let the catching begin!

Valid for items purchased between October 1, 2018 – February 28, 2019  
Must redeem code by June 30th, 2019  
Valid for U.S. Customers only

[humminbird.com](http://humminbird.com)

**One lake map not enough for you?** Upgrade to Humminbird LakeMaster. LakeMaster has over 10,000 lakes on 12 regional SD cards in North America. Including 2,000 lakes in High Definition with 1'-3' contours.
