

— New Weather & Audio Receiver — **FURUNO InfoLINK BBWX4**

Only \$399
after \$100 rebate

Add Marine Weather & SiriusXM Radio to your NavNet TZtouch or TZtouch2

Boaters in the USA can subscribe to SiriusXM Marine satellite weather service to access up-to-date, detailed weather forecasts, weather radar, lightning, storm warnings, sea surface temperature and much more, all delivered instantly to your InfoLINK BBWX4 fourth-generation SiriusXM Satellite Weather Receiver for NavNet TZtouch and TZtouch2! Graphical information is overlaid directly on the charts so you can see weather and info relative to the location of your boat. You can also enjoy over 150 channels of SiriusXM Radio at a discount when you add it to your subscription.

- 1 Purchase and install compatible hardware
- 2 Choose your subscription at siriusxm.com/Furuno
- 3 Visit siriusxm.com/MarineActivate or call 1.855.796.9847 to activate

\$100
REBATE

Purchase any new eligible marine receiver between January 1 and December 31, 2019, activate it with any **SiriusXM Marine Weather Package** by December 31, 2019 (see Details below), maintain 60 days of continuous paid service, and receive a \$100 SiriusXM Rewards Visa® Prepaid Card. See Rebate Offer Details at siriusxm.com/MarineRebate.

DETAILS: The subscription plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-800-985-9200. Note: Not all devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Data displays vary by device; images are representative only. SiriusXM Services may include weather and other content and emergency alert information. Such information and data is not for safety for life, but is merely supplemental and advisory in nature, and therefore cannot be relied upon as safety critical in connection with any aircraft, sea craft, automobile, or any other usage. SiriusXM is not responsible for any errors or inaccuracies in the data services or their use.

See **weather & fishing info** on your NavNet TZtouch & TZtouch2
