GOST | GNT-Evolution-IDP-SM-HW

What's Included

DOOR / HATCH / ENG. COWLING | GDC-EXT-WGHD

Is our standard door and hatch contact is used inside of the vessel. It is also used for the engine cowlings.

BEAM SENSOR | GNT-IBS-1

Is an Infrared Beam Sensor designed to protect the exterior perimeter of the vessel. When the beam between the emitter and receiver broken the siren will alarm.

REMOTE KEYFOB | GMM-KF2

Compact water-resistant design with backlight for buttons and auditory feedback for arming or disarming your security system. The KeyFob performs up to 6 different actions per remote control with a range of up to 150ft.

GOST-UCU

Mini Siren | GA-MINI-SIREN

GOST Acoustics mini water-resistant super loud multi tone marine siren, 125db 20 watt.

HIGH WATER SENSOR | GMM-HWS

Includes the bracket and the float switch that will be installed in the bilge of the vessel slightly below the vessels factory installed high water sensor.

WATER RESISTANT STROBE | GA-STROBE-WHITE

Ultra small, self contained semi-hemispheric white LED lights. Surface or internal mount featuring 25 scan-lock flash patterns, including synchronize feature for alternating or synchronous flashing.
