

XPLORE™ SERIES

» FISH FINDERS

Easy Access to Epic Fishing Days

With stunning HD – and unmatched clarity and imaging options – the new XPLORE™ Series makes every fish as clear as day. No guessing, just catching. Featuring a smarter, faster and easier-to-use interface. A new waypoint management system. And quick access to everything through a lightning-fast touchscreen, plus shortcuts for your favorite tools and technologies. Find your fishing spots efficiently with LakeMaster® and CoastMaster® charts included.* Connect instantly to Minn Kota® products – from advanced GPS navigation to shallow water anchors – with One-Boat Network® compatibility. Experience fishing faster than ever before.
