Muse Green Chinook

Limited-quantity release - available while supplies last.

Meet the Chinook Fan in Muse Green - a fresh, on-trend update to our rugged performance classic. This earthy, modern green adds a calm, nature-inspired vibe to any space while delivering the powerful airflow Chinook is known for. Built for everyday versatility, it fits right in at the cottage, on the patio, in the workshop, or around the home — making a subtle style statement without sacrificing durability. Same trusted Chinook strength. Now in a colour everyone's talking about.
