

GET TOTAL CONTROL AROUND EVERY TARGET

Minn Kota® Ultrrex™ trolling motors give you the control and responsiveness you want to fish effectively. Choose Ultrrex for dependable brushed performance or Ultrrex QUEST™ for brushless power. With precise foot pedal control and responsive steering, Ultrrex moves exactly to where you direct it. Improved Spot-Lock® GPS delivers up to a 50% tighter hold to keep you on your fishing spot. Draw and Navigate™ lets you draw a course on your fish finder and have the motor follow it. Intelligent Depth Control™ actively alerts you to shallow water—automatically deploying Spot-Lock and your shallow water anchors to help protect your equipment. Plus, every Ultrrex comes standard with everything needed to connect to select Humminbird® and Minn Kota fish finders. So your Minn Kota fish finder becomes the hub of a seamlessly integrated system that brings your Ultrrex™ trolling motor and shallow water anchors together, with additional access from the Minn Kota Fishing App. The result is a more responsive, integrated fishing experience that keeps your attention where it belongs—on the fish.

BEST-IN-CLASS TROLLING AND POSITIONING

Get to the fish quietly and stay on the fish longer and with the precision you need.

PROVEN DURABILITY AND RELIABILITY

You can always count on your motor—it's proven to be the most reliable and long lasting, even in tough conditions.

SEAMLESS INTEGRATION WITH MINN KOTA FISH FINDERS

You're in complete control with a fishing system powered with Humminbird Imaging™.

ADDITIONAL FEATURES

ADVANCED GPS TROLLING SYSTEM

Improved Spot-Lock®	Follow Mode
Intelligent Depth Control™	Drift Mode
Draw and Navigate™	

CONNECTIVITY & INTEGRATION

Wireless Connectivity between Trolling Motor and Fish Finder
One Seamless Fishing System

DURABILITY & POWER MANAGEMENT

Real-Time Battery Monitoring
Exceptionally Durable Composite Shaft

QUEST™ PERFORMANCE

QUEST™ Series Brushless Technology
50% more torque and 30% longer run time
Instant Response Steering

BUILT-IN SONAR

Industry-Leading Sonar Powered by Humminbird Imaging™
Side Imaging (SI)
Down Imaging (DI)
Dual Spectrum CHIRP (DSC)

INTUITIVE DESIGN

Instant Response Foot Pedal
Live Sonar Compatible
Lift-Assist
