SCANSTRUT

designed for life at sea

**NEW!
30° AFT
LEANING**

PRODUCT INFO

Install your antenna on the cabin roof, flybridge or radar arch of your powerboat.

All the same great features but now with an aft leaning profile!

- White powder coated
- 30° aft leaning profile
- Choice of 5" or 10" heights
- Antenna fastens to PowerTower using own mounting bolts
- Pre-drilled mounting holes for ease of installation
- IP65 gland supplied to seal cable into stem for internal cable management
- Watertight base seal included - no need for messy sealant

Now in stock.
