Item: 0135-0100

Wholesale: \$55.00

MSRP: \$110.00

Sometimes the hardest working person at a ranch or on a hunt isn't actually a person at all. For the hunting buddy or ranching dog who's always faithful on trips near home or far afield, the Workin' Dog Kit has what you need to keep your companion safe, and the information you need to deal with serious canine medical emergencies when far from veterinary care.
