

GEAR TIE PRO PACKS

REUSEABLE RUBBER TWIST TIE™

The only thing more useful than a flexible, durable Gear Tie is a pack of flexible, durable Gear Ties.

The Gear Tie ProPack makes tackling multiple wrapping, hanging, or looping jobs a breeze. With their sturdy, colorful exteriors and strong, bendable wire interiors, each Gear Tie secures, hangs, or neatens even the most unruly objects with a quick wrap-and-twist motion. Available in 3", 6", 12", 18", and 32" lengths, Gear Tie ProPacks can organize objects of nearly every size - from earbuds to garden tools - in a brilliantly simple way. Create a loop at one end, thread another Gear Tie through it, twist to close and connect multiple Gear Ties together to make custom lengths or configurations. And, because they can be configured and reconfigured hundreds of times, Gear Ties are nearly endlessly useful.

- ⊕ **Gear Tie Pro Pack Details:**
