

## OLYMPIC ROD HOLDER CLUSTER

Taco Sport Fishing introduces a light weight yet strong and durable high polished aluminum 5-rod holder cluster designed to maximize rod placement and usage on your boat. Fits all standard gunnel mount rod holders and is designed to be mounted on heavy duty rod holders on a tower, gunnel or behind a leaning post.

### FEATURES & BENEFITS

- Groups five rods in one rod holder
- Light weight, tight grouping
- Flared rod holders, 9-3/4" for big game tackle
- Durable, welded high polished aluminum construction
- I-Beam construction ensures rods are locked and properly spread out
- Tube diameter 1-1/2" fits into standard rod holders 1-5/8" diameter
- Ideal for storing rods in a compact space
- Allows for rods to be out of the way with plenty of room as required to move fast through the cockpit
- Convenient rigging station in preparation of a trip
- Serves as a convenient wash down station
- Packaged in mesh bag for easy drying if stored wet and to avoid from scratching deck or storage surfaces on the boat
- Solid gimbal design for additional strength
