### 436 Stand Up Paddle Board Leash Plug Adapter

The Scotty Stand Up Paddle Board Leash Plug Adapter quickly secures to one of the stand up paddle boards pre-installed leash plugs. The Scotty Gear-Head allows you to customize your board by either adding a Scotty camera mount, cup holder or any other Scotty accessories. Made from high strength composite materials and stainless steel J-Hook, makes for a trouble free use in various environments including salt water. Comes with a long J-Hook for deep leash plugs and a short J-Hook for shallow leash plugs.
