PRELIMINARY SPEC SHEET

Citizens Band 2-Way Handheld CB Radio -

Full Power for Sport, Recreation or
Emergency Use

HH50WXST

www.cobra.com

Cobra[®]

The HH50 WX ST is a self-contained, full power 40 channel CB transceiver for sport, recreation or emergency use. A great way to get in touch with friends, or the millions of CB radios in use across the country. Plus complete access to 10 National Weather Channels for the latest weather information in a portable or mobile design.

FEATURES:

- SoundTracker® System Cuts noise up to 90%
- 10 weather channels provide the latest weather information from NOAA
- Compact design for portability and comfort
- 40 CB channels for full coverage in an ultra small package
- 4 Watts of power output, the maximum allowed by law
- High/low power switch reduces battery power consumption by up to 75% to extend battery life
- Recharging jack allows charging of rechargeable NiMH AA batteries in unit with a AC wall charger (not included) or from the 12V port in your vehicle
- Speaker/microphone jack allows use of a combination speaker/microphone accessory (not included)
- Low battery indicator flashes to let you know when the batteries are getting low
- DC power cord with charge tip included for in-vehicle use. Plugs into vehicle's cigarette lighter
- High efficiency flexible antenna provides long range and bends without breaking
- Omni-directional microphone allows voice to be picked up from multiple directions
- Up to 4 miles range. Range will vary between 1/2 and 4 miles depending on geographic terrain
