

**DESCRIPTION:**

Presta Marine Metal Polish cleans and shines chrome, copper, brass, aluminum, stainless steel and other metals. Anti-corrosion technology preserves the shine and helps metal surfaces resist pitting, discoloration, staining, rusting, salt corrosion and water spots.

**DIRECTIONS:**

- SHAKE WELL BEFORE USING.
- Apply a dab of polish and gently rub surface until desired level of gloss is achieved. Additional applications may be required.
- Wipe surface with a clean, soft cloth to remove any haze and debris.

**FEATURES & BENEFITS**

Micro-abrasive formula	<ul style="list-style-type: none"> <li>• Effectively removes surface oxidation</li> <li>• Creates a dazzling shine</li> <li>• Doesn't scratch or damage metal surface</li> </ul>
Versatile use	<ul style="list-style-type: none"> <li>• Can be used on chrome, aluminum, stainless steel and other metals</li> </ul>
VOC compliant formula	<ul style="list-style-type: none"> <li>• Safer chemical profile</li> </ul>

**PACKAGE SIZES:**

- 16 fl. oz. 166516

**PRODUCT FAQ'S:**

**Q1: Can Metal Polish be used on a variety of metals?**

**A1:** Yes, Metal Polish works well on chrome, aluminum, stainless steel and other metals.

**Q2: Will Metal Polish scratch the surface?**

**A2:** No, Metal Polish contains micro-abrasives to safely remove surface oxidation without causing scratches.

**Q3: Does Metal Polish help protect the surface?**

**A3:** Yes, Metal Polish has anti-corrosion technology that help metal surfaces resist pitting, discoloration, staining, rusting, salt corrosion and water spots.

**Q4: Are there any metals that Metal Polish may damage?**

**A4:** Use caution on soft metals such as copper.
