# 173 | **2.25" ball mount** for large fish finders & chart plotters

Arrange your fish finder at the perfect angle on your watercraft with this hefty 2.25" ball mount. Designed for 10"- 12" fish finders.

Pre fabricated holes on top plate allow easy installation of gimbal mount brackets that come with your fish finder.

The 3.25" square base securely fastens with 1/4" bolts.

2.25" ball design has superior strength and reliable holding power. Constructed using engineering grade Nylon and stainless steel fasteners to last a lifetime.
