

ATLAS SERIES™ EVA BACKPACK

Combining the strength of a hard-sided tackle box with the lightweight portability of a soft-sided tackle bag, the premium EVA-constructed Atlas Tackle Pack is a completely new take on tackle storage. Built up from the sturdy foundation of a waterproof HDPE base surrounded by ultra-durable EVA panels, the Atlas includes Plano's patented magnetic Dropzone™, bungee cord rod holder, tool holders, water-resistant cell phone storage, internal zippered mesh pockets, molded side pockets and comfortable shoulder straps.
