

FIRST RESPONDER WATER RESCUE KIT (MRK110)

MUSTANG SURVIVAL WE SAVE LIVES FOR A LIVING

The Mustang Survival Water Rescue Kit contains everything the first responder needs to conduct a basic emergency water rescue in one heavy duty storage case.

M.I.T. 100 (MD2014)

Collar-style PFD that inflates manually when the activation cord is pulled

HEAVY DUTY STORAGE CASE

Meets military, ATA and federal specification

THE RESCUE STICK™ (MRD100)

High-accuracy, throwable buoyancy aid that inflates automatically upon water contact

THROW BAG (MRD075)

includes 75' of floating polypropylene rope

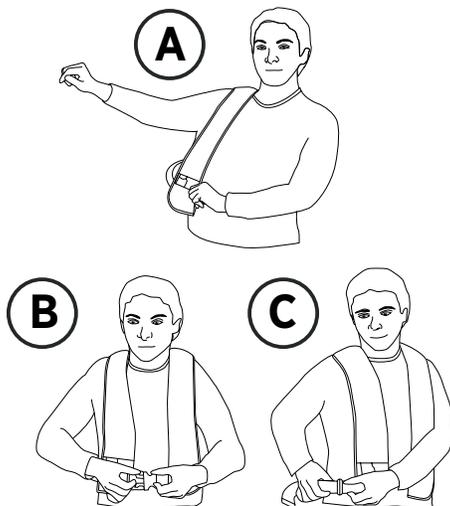

INSTRUCTIONS:

1. CALL FOR ASSISTANCE/BACK UP

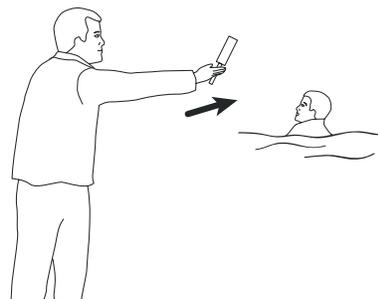

2. PROTECT YOURSELF

Don the Inflatable PFD in order to protect yourself in case of accidental immersion

3. STABILIZE THE VICTIM

Throw the Rescue Stick™ to the victim. The device Automatically inflates when immersed in water

4. RETRIEVE THE VICTIM

Loosen drawstring (A); open buckle (B)

Hold the top of the bag in your dominant hand and the end of the rope in the other

Throw the bag directly at the victim. Once the victim has a hold on the rope, slowly pull to safety
