Vault PRO Series Transom Drain Plug by SEAVIEW

The revolutionary new boat drain plug, specifically designed to replace the inferior, hard to use and easy to lose transom drain plug.

- **Vault PRO transom drain plug & garboard assembly**
 - Triangular ergonomic cap - no tools required
 - NPT thread and a backup O-ring for a water tight fit
 - It floats if accidentally dropped in the water
 - Manufactured from durable marine grade ABS + 15% fiber
 - A 2021 TOP Product & IBEX Innovation Winner!
 - The matching garboard utilizes a gasket in place of messy silicone sealants.
 - Part # SV101VP
