

FUSION19™ SWIMBAIT JIGHEAD

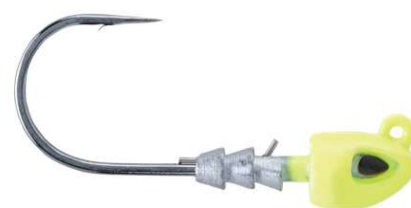

- Needle point for easier penetration
- High-definition detail for realistic look
- Conical bait keeper with wire locks baits into place
- Custom 40-degree hooks for an ideal pull point for natural presentation
- Forged hook for increased lateral strength
- Optimal head design for a variety of Berkley soft plastics

The Swimbait Jighead features an ultra-realistic look and feel with a custom 40-degree pull point for optimal tracking and natural presentation for swimbaits and other soft plastics. With a variety of sizes and hook combinations, the Fusion19 Swimbait Jighead offers a solution for many bait styles and sizes.
