SEAVIEW// ELEVATE YOUR ELECTRONICS

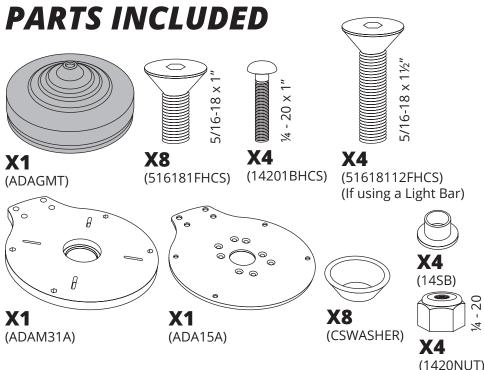

INSTALLATION INSTRUCTIONS

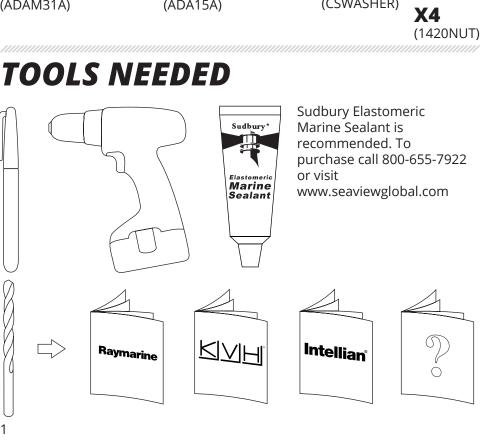

For Seaview Modular Top Plate:

ADA-S3

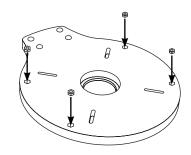

Refer to website for most up to date instructions and videos.

WWW.SEAVIEWGLOBAL.COM

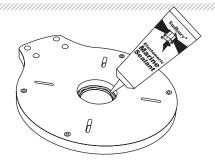

Insert the four nuts into the adapter plate.

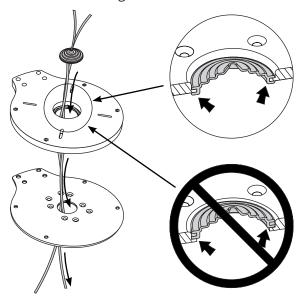

Apply marine adhesive sealant along the lip in the center hole on the adpater plate.

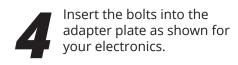

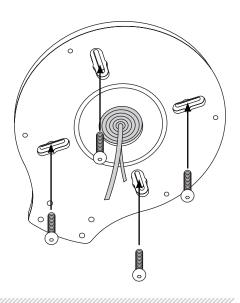

Route the cabling through the black rubber grommet. Be sure that the lip of the adapter plate sits into the groove on the grommet.

TIP

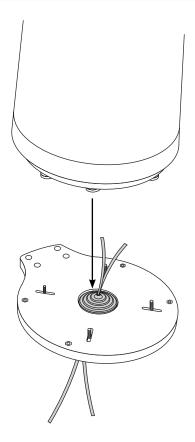

Place the connector of the cable into a plastic bag. Apply Vasoline to the exterior of the plastic bag. Then try routing the connector/cable through the black rubber grommet.

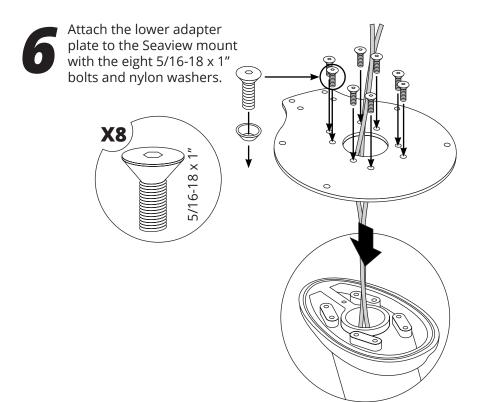

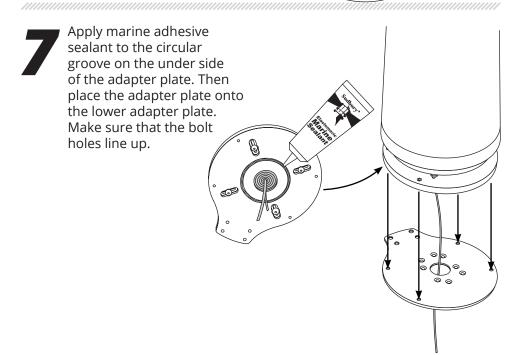

Attach the satellite dome to the adapter plate, and secure with the hardware for your electronics.

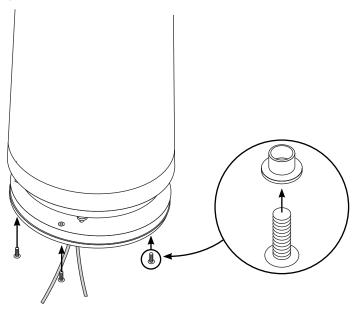

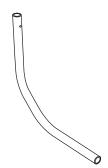

Secure the two adapter plates to gether with the four 1/4-20x1'' bolts and nylon shoulder washers.
