

Shore Power Sensor Plug Wiring Diagram

Note: Posi-Tap™ connectors, terminal block, or other connection type can be used to connect the wiring cable to sensor wires.

Installation Instructions:

1. Connect the shore power plug to a wall outlet that is energized only when shore power is connected and on.
2. Connect the blue wire on the shore power sensor plug to the shore power wire (green) on the wiring cable.
3. Connect the black wire on the shore power sensor plug to common ground.

Product SKU: SM-ACC-SHOR
