Important: Over-tightening mounting fasteners may result in damage to your motorcycle. Please refer to your service manual for proper procedures and torque specifications. KICKER is not responsible for damage resulting from improper installation techniques.

Disassembly

1. Before you begin, make sure the motorcycle and radio are in the OFF position.
2. From inside the saddlebag, remove the four grille retaining screws, or remove the grille from the saddlebag according to the manufacturer's guidelines.

3. Disconnect the speaker leads from the speaker to be replaced. If equipped with Harley-Davidson Plugs, unplug them from the speaker.

4. Remove the speaker to be replaced by removing the four mounting screws securing it to the bag lid. Remove the speaker.

Installation

5. From inside the saddlebag, feed the speaker leads into the top of the saddlebag speaker cavity to the positive and negative terminals of the PSC57, or simply connect the Harley-Davidson Plugs if available.

6. Install and mount the PSC57 speaker with the four screws removed in Step 4. Make sure the tweeter and speaker are oriented towards the front of the motorcycle.

7. Replace the grille and reinstall using the grille retainer screws removed in Step 2, or as necessary for your make and model of motorcycle.

Optionally, you may replace the HD logo on the grille with the KICKER logo. Now enjoy your new coaxial speaker upgrade!

Warranty

When purchased from an Authorized KICKER Dealer, KICKER warrants this product to be free from defects in material and workmanship under normal use for a period of TWO (2) YEARS from date of original purchase with receipt. If this product is identified as “Refurbished” or “B Goods”, the warranty is limited to a period of THREE (3) MONTHS from the date of original purchase. In all cases you must have the original receipt. Should service be necessary under this warranty for any reason due to manufacturing defect or malfunction during the warranty period, KICKER will repair or replace (at its discretion) the defective merchandise with equivalent merchandise. Warranty replacements may have cosmetic scratches and blemishes. Discontinued products may be replaced with more current equivalent products. This warranty is valid only for the original purchaser and is not extended to owners of the product subsequent to the original purchaser. Any applicable implied warranties are limited in duration to a period of the express warranty as provided herein beginning with the date of the original purchase at retail, and no warranties, whether express or implied, shall apply to this product thereafter. Some states do not allow limitations on implied warranties; therefore, these exclusions may not apply to you. This warranty gives you specific legal rights; however you may have other rights that vary from state to state.

WHAT TO DO IF YOU NEED WARRANTY OR SERVICE:

Defective merchandise should be returned to your local Authorized Stillwater Designs (KICKER) Dealer for warranty service. Assistance in locating an Authorized Dealer can be found at www.KICKER.com or by contacting Stillwater Designs directly. You can confirm that a dealer is authorized by asking to see a current authorized dealer window decal.

If it becomes necessary for you to return defective merchandise directly to Stillwater Designs (KICKER), call the KICKER Customer Service Department at (405) 624-8510 for a Return Merchandise Authorization (RMA) number. Package only the defective items in a package that will prevent shipping damage, and return to:

Stillwater Designs
3100 North Husband St
Stillwater, OK 74075

The RMA number must be clearly marked on the outside of the package. Please return only defective components. The return of functioning items increases your return freight charges.
