

LEWMAR®

LEWMAR® SHALLOW WATER ANCHORS

Secure your boat in the perfect spot without the hassle of traditional throwable anchors. Offering both electric and manually-operated systems, the Lewmar range of shallow water anchors are a top choice for boating with ease.

ENGINEERED TO MAKE YOUR EXPERIENCE MORE ENJOYABLE.

No hoses or pumps

Lewmar shallow water anchors do not require hydraulic pumps or hoses, making them low-maintenance and easily installed

High quality

Made with a powder coated aluminum finish, the shallow water anchor by Lewmar is designed to take on the elements

Easy installation & deployment

The anchors are a snap to install, simply attach to the transom with the standard bracket, or select from a variety of optional mounting brackets

Vector™ Manual shallow water anchor features:

- Effortless pull-rope mechanism means low maintenance, error-proof operation
- Secured by a gas spring, the penetrating fiberglass spike ensures steadfast stability through wake turbulence
- Easily install without the need for electric wiring; its compatibility with aftermarket mounts and universal hole patterns ensure a hassle-free setup.

Axis™ Electric shallow water anchor features

- 12V Electric linear actuator means no hydraulic pumps or hoses, making it lightweight and easily installed.
- Remote controlled deployment is fast and convenient; program two anchors on one remote.
- IP67M harsh environment actuator ensures optimal performance under any conditions

Part #	Color	Length	Deployment	Stored Height	Weight	Compatible Boat Sizes
AXIS Electric						
2025072931	White	6'	12V Electric articulating arm	43"	18 lbs.	Up to 18'
2025072929	Black	6'	12V Electric articulating arm	43"	18 lbs.	Up to 18'
2022108804	White	8'	12V Electric articulating arm	53"	26 lbs.	Up to 26'
2022108805	Black	8'	12V Electric articulating arm	53"	26 lbs.	Up to 26'
Vector Manual						
2025059420	White	6'	Manual release and retrieval	43"	15 lbs.	Up to 18'
2025059419	Black	6'	Manual release and retrieval	43"	15 lbs.	Up to 18'
2024008752	White	8'	Manual release and retrieval	53"	18 lbs.	Up to 22'
2024008743	Black	8'	Manual release and retrieval	53"	18 lbs.	Up to 22'

Optional Mounting Brackets

Type	White Part #	Lewmar Part #	Black Part #	Lewmar Part #
Quick Release	2024028468	69600949	2023043513	69600953
Pontoon Mount	2024028466	69600951	2024028463	69600955
Jack Plate Mount	2024028465	69600952	2024028460	69600956
Motor Mount	2024028467	69600950	2024028464	69600954
