

ER370B – 16 Watt Deluxe Megaphone with Siren - Matte Black

Thank you for your choice of Speco Technologies' **ER370B** megaphone. This unit is designed and manufactured to provide a stylish yet functional solution for portable amplified sound. The sturdy construction of these units ensures a long & productive life.

IN THIS BOX

- 1 x Megaphone
- 1 x Carrying Strap

FEATURES

- Lightweight and portable, with clear sound
- Perfect for talk or speech at meetings, assemblies, rallies, movie/TV sets, sporting events/practice, etc.
- Pistol Grip with talk switch and siren
- Microphone Volume Control
- ABS Plastic Construction with black rubber coating

PRECAUTIONS

- Ensure correct polarity of cell batteries. Insert the batteries in the correct direction by aligning the marks on the batteries with the spring in the back cover.
- When the megaphone will not be in use for a long period of time, remove the dry cell or rechargeable batteries.
- Drained cells or rechargeable batteries will not provide enough power for sufficient sound volume. For optimum performance, replace cells or charge the batteries at regular intervals.

OPERATION

- Open the rear battery cover by lifting the silver latch.
- Insert 8 x "C" cell batteries (not included), following the printed instructions on the base.
- Close and lock the back.
- Now your megaphone is ready for action. Press the trigger switch to talk or activate the siren (if siren switch set to "on.")
- When using the megaphone, hold the unit as close to your mouth as comfortable for optimal sound.
- Adjust the Volume Control to the desired level, but be careful to avoid any feedback.

SPECIFICATIONS

- Wattage: 15W Max – Effective 800 ft.
- Operates on 8 'C' cell batteries (not included)
- 2.2 lbs. (without batteries)
- 9" Bell diameter x 14.6" L
