

Size 3 Block Range

Size 3 Blocks are ideal for use on dayboats and small cruising yachts. Featuring both plain bearing and ball bearing options, they are very light yet very strong.

Choose from a range of single sheave, double sheave or triple sheave blocks, each available with fixed eye, double tang, snap shackle or swivel shackle attachments and with becket options to enable to tie off rope used for multi purchase systems. Fiddle & triple blocks come with a cam cleat option, they are used with double or triple blocks for multi purchase downhauls and kicking straps.

Cheek blocks, upright blocks and stand up blocks are designed to be screwed into the deck to direct control lines from a fixed position.
