STOWAWAY FILLET KNIFE

The clever Stowaway Folding Fillet Knife combines the high-end performance and ergonomics of a full-length fixed knife with the safety and versatility of a folding knife. The Stowaway fits easily into kitchen drawers, boat boxes, tackle bags, or travel packs without the need for a bulky sheath. The Stowaway Knife features titanium coating on the high carbon stainless steel blade and all internal stainless steel components to provide superior, salt-tough corrosion resistance for harsh saltwater conditions.
