

**PN# S-7104**

**STAINLESS STEEL GRAB HANDLE  
WITH BLACK VINYL INLAY**

***Elegance. Style. Strength.***

The stylish elegance of our all new stainless steel grab handle makes it one of the most unique and eye catching hardware components on your boat. Crafted from the strongest, marine grade 316 stainless steel and finished with a 100% UV resistant vinyl inlay, this contemporary piece retains the classic shape of our family of handles while adding the sophisticated look and feel of dual materials. Elevate your boat's design and add highlights of elegance & style. Scan the code below for more detailed information.
