Product Details:

- 5mm Neoprene, glued and blind stitched seams: Provides buoyancy and a waterproof and insulated barrier from freezing water and ice
- Textured Gloves: Enhanced grip for better dexterity and comfort
- Internal Suspenders: Improve mobility and fit, reducing wear on high-stress areas
- High Visibility: SOLAS grade reflective material with reflective elements for increased visibility and safety. Strategically placed for visibility in low-light conditions.
- Waterproof Offset Zipper: Allows for easier closing/donning
- Chest Harness: Features stainless steel O-ring and carabiner for secure attachment
- Large Wrist Pocket: Designed to hold ice picks securely
- Reinforced Knees and Elbows: Increased durability for extended wear
