About Wipeout:

- Contains a safe, bleach-free and heavy-duty solvent to remove grease, grime and dirt.
- Highly concentrated product. Can be diluted down to 50% for lighter cleaning or used at full strength for more aggressive cleaning.
- High-efficiency, cleaner/degreaser designed for the most demanding tasks.
- Safely removes organic stains, dirt, oil, grease and grime.
- Use to replace bleach-based products for cleaning and whitening.
- Non-fuming formulation for use in confined spaces and closed quarters.

For Use On:

Metal, fiberglass, glass, paint, gelcoat, ceramic, stone, tile, plastic, rubber, vinyl, fabric, carpet, concrete, brick and other inanimate surfaces.

Application:

Wipeout is ready to use. Spray **Wipeout** directly onto surface and use an appropriate soft cloth, sponge, or deck brush, depending on the surface. Rinse with water if necessary. If the oil, grease, or soot is not removed immediately, allow the product to react with the surface for 1-5 minutes. Wipe the surface clean or rinse with fresh water again. Repeat if necessary.

DITEC believes that the environment is our most precious asset. Our cleaning products are readily biodegradable, free of harsh and harmful chemical ingredients and comprised of environmentally responsible raw materials, protecting the marine ecosystem and all that inhabit it. Our cleaning products are classified as 'not a marine pollutant'. Our full line of protection products and their performance are unsurpassed in the marine industry.

First Aid

INHALATION: Rescuers should put on appropriate protective gear. Remove from area of exposure. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Keep victim warm. Get immediate medical attention. To prevent aspiration, keep head below knees.

EYE CONTACT: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

SKIN CONTACT: Remove contaminated clothing. Wash skin with soap and water. Get medical attention. Wash clothing separately and clean shoes before re-use.

IF SKIN IRRITATION OCCURS: Get medical advice/attention.

IRRITATION PERSISTS: Get medical advice/attention.

INGESTION: If swallowed, do NOT induce vomiting. Give victim a glass of water. Call a physician or poison control center immediately. Never give anything by mouth to an unconscious person.

IN CASE OF FIRE: Use suitable media for extinction. Store in a well ventilated place. Keep cool.
