

Throttle Shine Marine Quick Detailer

Your boat shouldn't just be clean. It should look fast sitting still. Throttle Shine Quick Detailer is a high-performance marine detail spray designed to remove light contamination while restoring deep gloss and creating an ultra-slick surface feel. Perfect for a quick wipe-down at the dock, before guests arrive, or after a day on the water.

The fast-flashing formula lifts light dust, salt film, and residue while enhancing clarity and reflectivity across gelcoat, paint, metals, and more. The result is a smooth, high-gloss finish that buffs effortlessly and leaves no streaks or haze behind.

THE BENEFITS

Instant Gloss Enhancement

Quickly restores clarity and reflectivity to surfaces for a freshly detailed appearance.

Ultra-Slick Surface Feel Leaves behind a smooth, low-friction finish that looks sharp and feels incredible.

Fast Dockside Cleanup Perfect for quick wipe-downs before guests arrive or after a day on the water.

Streak-Free Finish Flashes quickly and buffs effortlessly without haze or residue.
