-----	--------------------	---------------

Navilight Tricolor 2NM from Navisafe is based on the Navilight 360° 2NM and its award winning design. The Navilight Tricolor 2NM combines waterproof, 360 degree visibility super bright LED light and a double magnetic system, integrated into a compact shape that fits easily in your pocket. The double magnetic system means the light attaches everywhere, on your spray hood, on your boat, inside your cabin, everywhere you need a navigational light.

Navilight Tricolor 2NM gives ultra strong light 360°, divided into three color zones. Red, Green and White. Navilight Tricolor 2NM is made to be fastened almost everywhere, it is waterproof and will float if pulled from it its secondary magnetic fastening.
