

FLOOD / AREA 8 WATT

LLB-61WO-81-00

Lunasea new compact indoor/outdoor light utilizing the newest high performance LED technology. Excellent for lighting up small to medium size areas. Compact design has an IP65 Rating and can be surface mounted or tilted on its Stainless Steel bracket mount. When surface mounted the bracket seems to disappear for an attractive look. Hard Anodized aluminum housing with Baked Urethane finish for extreme durability. Glass lens will not become brittle or turn yellow like plastic lenses.
