

# SEA CARE

**HEAVY DUTY SILICONE** Sprayway Sea Care HD Silicone lubricant and release agent is a high solids (6%) blend of medium and high viscosity silicone fluids. It leaves a colorless, resilient wet film when applied and is recommended for difficult release applications (rubber moulding) as well as lubricant where high friction may be encountered in the marine environment.

**USE ON** rubber molding where it may encounter friction and abrasion and also zippers, sliding metal parts, hinges, pulleys and door tracks.

## 13 oz 12 ct Cans

### Product Information

Part #	SW1208
Item UPC	0 41911 01208 9
Case UPC	10041911112083

### Item Specifications-12 Pk

Case Pack	12
Can Size	20 oz.
Net. Wt.	13 oz.
Each Length	2.7 in.
Each Width	2.7 in.
Each Height	10 in.
Case Weight	14 lbs.
