

SEA CARE

CARB & CHOKE CLEANER An ultra high volatility formulation that dissolves carburetor deposits and fuel system contaminants such as gum, sludge and varnish. Helps improve fuel system performance and insure maximum fuel economy. Will not harm Oxygen Sensors or Catalytic Converters.

USE FOR: Chokes, PCV's, Carburetors, Vacuum Pistons, Engine Parts, Motors, Manifold Heat Control Valves

14 oz 12 ct Cans

Product Information

Part #	SW1218
Item UPC	0 41911 01218 8
Case UPC	10041911112182

Item Specifications-12 Pk

Case Pack	12
Can Size	20 oz.
Net. Wt.	16 oz.
Each Length	2.7 in.
Each Width	2.7 in.
Each Height	10 in.
Case Weight	1.387 lbs.
