SPOT X offers two different service subscription options. Choose either a monthly Flex Plan or an annual contract plan. Flex Plans are best for seasonal use and only require a one-month subscription. Annual plans are perfect for get-up-and-go year round use with an added benefit of monthly payment. Annual contract plans also have the option to pay upfront and receive all allotted messages in advance to use whenever you want.

ADDITIONAL CONSIDERATIONS

The SPOT X device requires an active service subscription to properly perform pairing via Bluetooth wireless technology, 2-way satellite messaging, tracking, S.O.S. capabilities and all other device functions.

*Enrollment in any Flex Plan is subject to a \$24.95 Annual Flex Charge that is payable upon activation and then each year at renewal, even if the device is suspended at that time. This Flex Charge allows the customer to suspend service anytime during the year without activation fee recurrence when turning service on again throughout the year. All Flex Plans have a one month minimum term. Message allotment includes both incoming and outgoing messages.

All non-flex plans are 12 month terms with the option of monthly payments or one annual upfront payment. Those customers who prefer to make an upfront payment will get the added benefit of receiving allotted plan messages in advance for use as frequently as they would like throughout the year. Those customers who prefer to make monthly payments on the annual plan should note that unused messages will not roll over to the next month. All plans are subject to a one-time \$19.95 activation fee. No charge applies to changing to a more inclusive annual plan; a \$24.95 fee applies to changing to a less inclusive annual plan. Early termination of the service agreement will require a customer to pay an Early Termination Fee in the amount of 100% of the outstanding balance of the contract, plus the full amount of any credits issued during the Term (including promotions).
