

SEA GLASS

Sea Glass Plastic Cleaner and Polish is designed with the professional, enthusiast and environment in mind. This Non Hazardous to Aquatic life formula is meant to clean a variety of surfaces including Clear Vinyl, Plexiglas®, Lexan™, Strataglass®, Chrome, Stainless Steel, Plastic and Painted Surfaces. The foaming action clings to surfaces, making cleaning more efficient. While the UV Inhibitors protect the surface, the pleasant scent will put a smile on your face reminding you of sunshine and cool breeze!
