

SUPROFLEX RUB RAIL

IDEAL
FOR BOATS
UP TO 65'

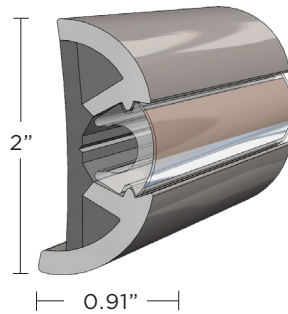

Introducing the SuproFlex Vinyl Rub Rail Kits – a whole new family of Rub Rail kits with our patented Flex Chrome Inserts. The SuproFlex Rub Rail fuses together two levels of hardness that provide a higher-impact resistance. The Flex Chrome Insert gives boats the seamless look of stainless steel but with significantly reduced costs of materials and installation time. SuproFlex Rub Rail easily forms along the contours of a boat without deforming and requires minimal heating when bending.

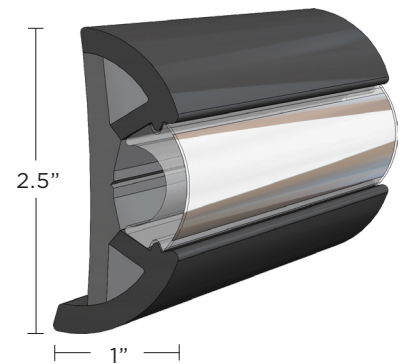

- Tight-radius bending can be made with minimal heating
- Easy handling making these rub rails a good choice for do-it-yourself boaters
- Accepts flex chrome insert V12-0307CP, V12-9980CP and V12-0307GRD
- Kit includes SuproFlex Rub Rail, Flex Chrome Insert, stainless-steel end caps and stainless-steel mounting screws
