

TRIDENT WET EXHAUST 45° ELBOWS

240V Series

Trident Silicone blended rubber marine wet exhaust connections. They are molded of Very High temperature blue silicone EPDM blended rubber with a smooth bore and cover; except elbows of 6" I.D. or larger have molded reinforcing ribs on the outside. These elbows have excellent resistance to ozone, salt water, diesel fumes and splash, cold, heat, and aging. Exceeds (SAE J2006-R1, and ABYC & NMMA P-1) exhaust standards. Blue Very High Temp silicone blended with EDPM Rubber 350°F (177°C) max continuous. 10 Year Warranty.

Specifications

Construction:

Very High Temp Silicone/EDPM Blend Rubber - Molded

Color: Blue

Reinforcement: Reinforcing Ribs on 6" I.D. and above

Temperature Range: up to 350°F (177°C)
